# 1950 ARROWHEAD

ANNUAL PUBLICATION OF MT. PLEASANT HIGH SCHOOL  
MT. PLEASANT, TEXAS

# FOREWORD

# 1950

This year marks the half-way point in the twentieth century—a century of progress; a century in which man took to the air, listened to words spoken hundreds of miles away, plunged beneath the ocean, and travelled great distances rapidly and safely.

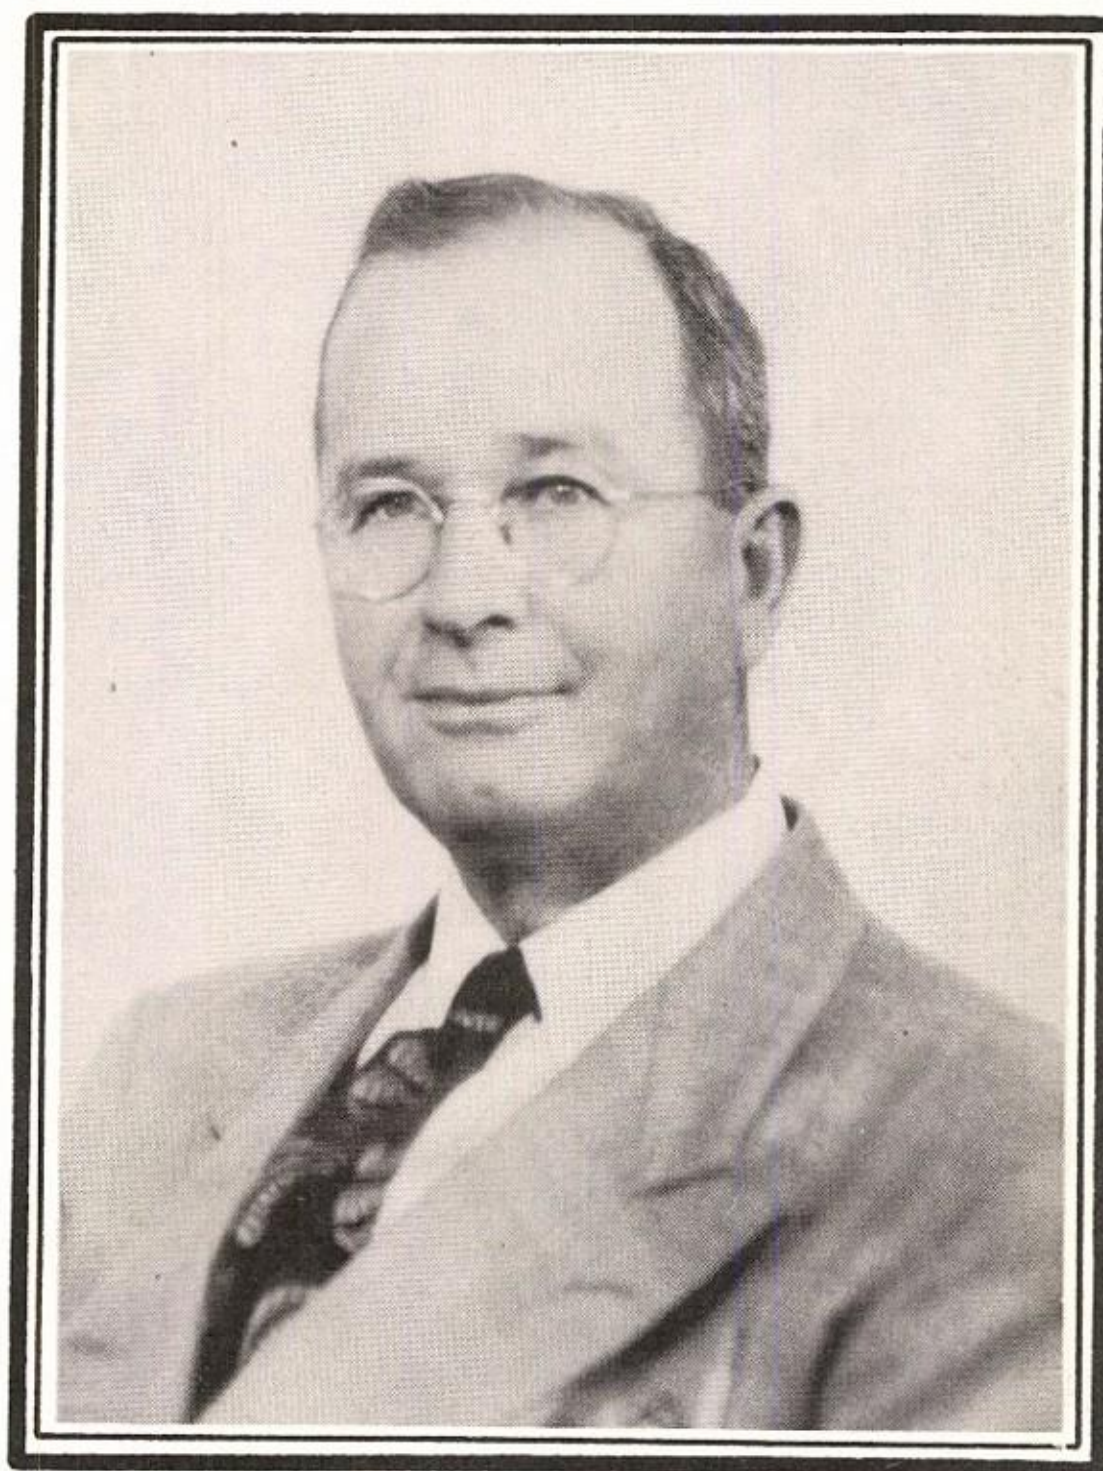

We realize the achievement made in these fifty years and have decided to use the "half-century of progress" as the theme for our 1950 Arrowhead.

## Mt. Pleasant Public Schools

RAY D. BROWN, SUPERINTENDENT

POST OFFICE BOX 529

MT. PLEASANT, TEXAS

### TO THE STUDENT BODY:

Another school year has come to an end and because you have been cooperative and fine I truly believe that we have made it one of the best years in Mt. Pleasant High School history.

The world is looking to you to make useful and happy citizens. Upon your shoulders will fall the task of building a better democracy for the future generations to come.

To all of you who have worked to make the annual a success, I say, "Congratulations". You have done a good job which will be more appreciated in the years to come, when this book will enable you to live over the days you spent in Mt. Pleasant High School.

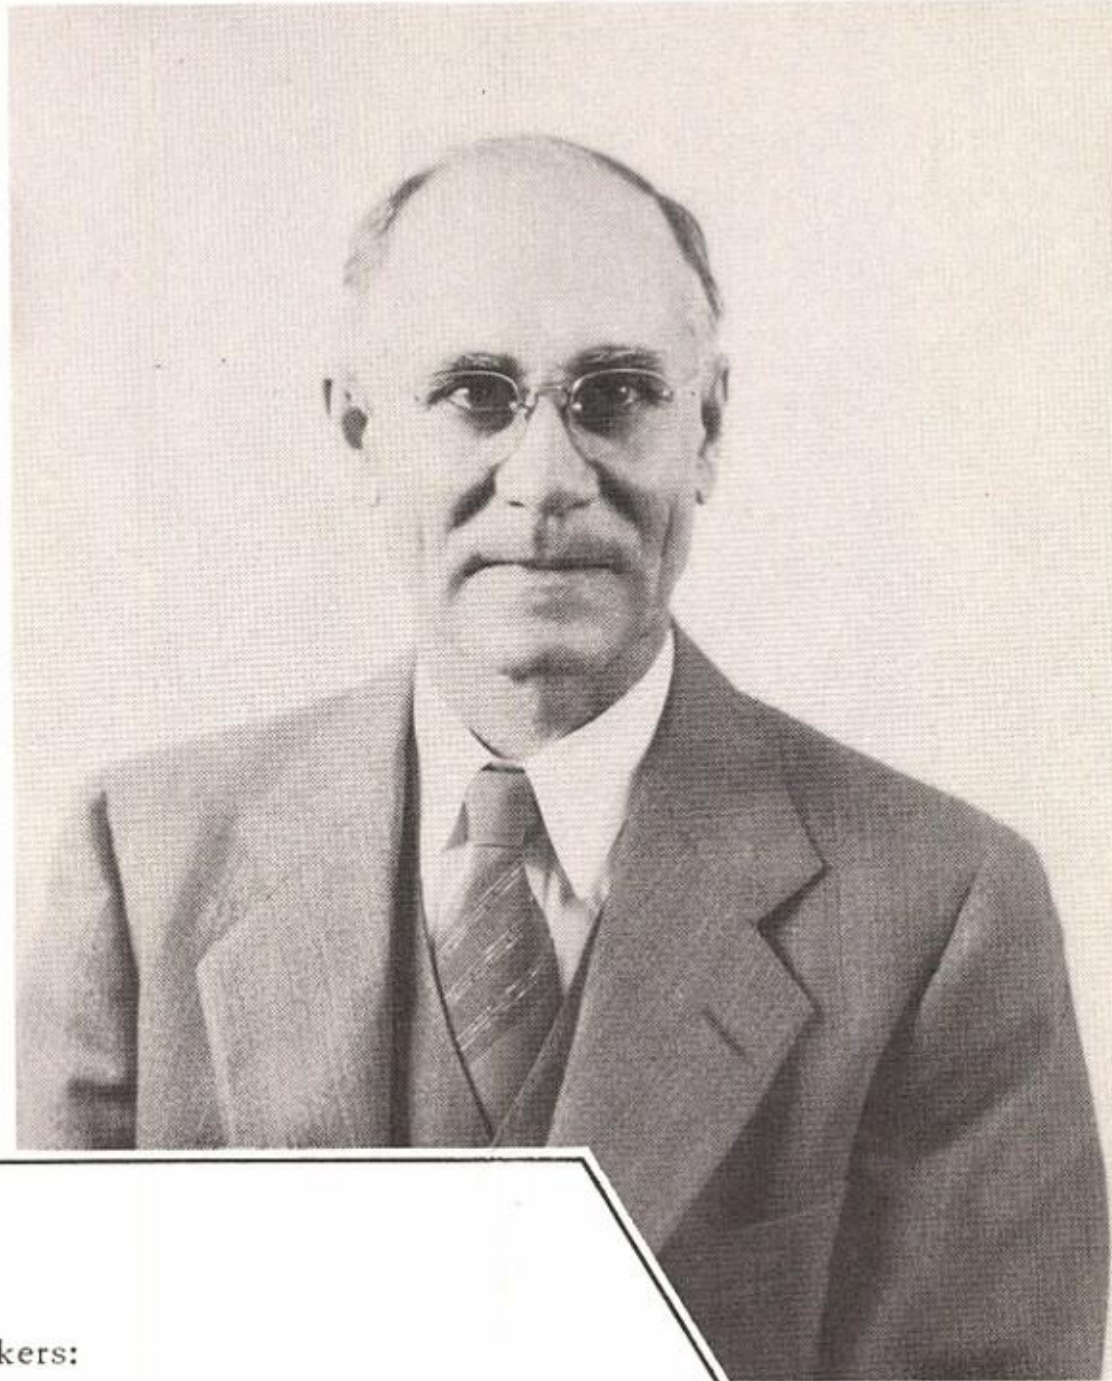

Sincerely yours,

A handwritten signature in dark ink that reads "Ray D. Brown". The signature is written in a cursive style with a large, stylized "R" and "B".

Ray D. Brown  
Superintendent

# PRINCIPAL'S MESSAGE

Dear Students and Co-Workers:

As you approach the end of another school year, may you look back over your activities, with the desire of profiting by your mistakes and gaining new courage in your accomplishments.

Your success in the past and future may be measured to the extent that your school and community have been MADE BETTER by the part you have played in them.

My wish for you is: that in your school activities and associations you have been inspired to a life of honesty and service to your fellow-traveler, with ample reward of satisfaction, happiness, and material goods.

Very Sincerely,

E. C. Brice, Principal
